

Technical Accessibiliy:

Colorado House Bill 21-1110 (“HB21-1110”) enacted Section 24-85-103(1), C.R.S. requires the Colorado Office of Information Technology (the “OIT”), to establish rules regarding information technology systems accessibility standards for individuals with disabilities.

By July 1, 2025, all public entities¹ and state agencies, must be fully compliant with the Accessibility Rules
